

If you are a supporter with a disability you will be made to feel very welcome at The Dransfield Stadium. Admission is free (including carer) and we have designated car parking spaces right outside the main entrance.

For supporters using a wheelchair, access is available around the stadium via concrete terracing and we've provided a designated viewing area in a prime central location accommodating up to four wheelchairs. We have a toilet suitable for disabled supporters and full access to our clubhouse is available.

Facilities at a glance
