

YOUTH FEES & BENEFITS

2019/20

www.northferribyfc.co.uk

Dear Parent,

It is wonderful to be back at the club my wife and I devoted over 20 years of our lives to. We would like to think that we set the highest standards in terms of local youth football and were proud to become the East Riding's first FA Charter Community Club. We were even prouder to be crowned Community Club of the Year in 2006.

Moving forward, the club will be reinstating its long term development plan to expand its youth section and in the medium term, aim to manage at least two teams in each and every age group. Furthermore, a concerted effort will be made immediately to return the high level of female participation we previously experienced.

Of course our immediate ambition is to provide all our youth football teams with the surety, comfort, confidence and professionalism expected of a club steeped in so much tradition.

I have been joined in the clubs rebirth by some highly respected local residents. Jim Dick OBE (Ex-Chairman of Smith & Nephew and Founder of The Smile Foundation and CAT ZERO), Martin Lauer (Long-time North Ferriby Patron/Sponsor/Coach and owner of The One Point) and Simon Lunt (Lifetime Contribution Award Winner for his contribution to Business over 4 decades and Partner of Gosschalks Solicitors). Together we share a passion to return the club into the heart of the community, to be inclusive and restore pride. Our financial strategy is a sound one based on good well tried and tested principals and at the heart of that strategy is a 'not for profit' policy, ensuring that everything derived from the clubs trading is returned back into it to further strengthen and progress the club.

It's incredible to think that we can this year celebrate 100 years of football in North Ferriby. Given recent events, I am so proud we now have the opportunity to do so.

My very best wishes,

Yours sincerely,

Les Hare,

Chairman, North Ferriby Football Club

**North Ferriby Football Club is a 'not for profit' club run entirely by volunteers.
All income derived is retained by the club for the benefit of the club.**

YOUTH FEES & BENEFITS 2019/20

North Ferriby Football Club aims to offer the highest quality football training and playing provision in the region, supporting players of all abilities from mini soccer into the senior game.

Our fees include a huge amount of benefits backed by a professional club, training and playing facilities, qualified coaching staff, insurances, inclusive match benefits and more.

Youth & Mini Soccer players – just £20 per month by Direct Debit**. Or a discounted single annual payment of £220. All payments start 1st June 2019.

Parents with more than one child at the club can benefit from a discounted rate of just £17.50 per player per month (by Direct Debit).

For less than £5 per week your child will receive all of the benefits listed opposite.

Our charges are comparable to other clubs in the region and are less in many cases. Our fees have not gone up for 4 years and as such provide excellent value for money.

Important Note

In fairness to the club all players must sign up for the full year (12 months) – any leavers will be charged should they leave part way through the year as kits and other expenditure will have been fully incurred by the club. Players joining part-way through the year will need to pay £35 for their kit and their subs monthly thereafter. Payments will be taken on the 1st day of each month.

A link to sign your child up to NFFC will be circulated by your youth coach manager.

Inclusive Benefits

- Weekly County FA Qualified team coaching on the 4G
- Weekly County FA Goalkeeper coaching on the 4G
- Provision and replacement of new North Ferriby Football Club playing kit – matching the 1st team (your child can keep the kit after a complete season – the kit will be redesigned every 2 years minimum).

Plus

- NEW: Entry into NFFC monthly 'SUPERDRAW'* (win up to £500)
- First Team Season Pass – ALL home matches – Worth £30
- NEW: First Team Season Pass 1 x adult – ALL home matches – Worth £155
- NEW: Free admission (with passes) to Hull City Ladies/North Ferriby Ladies games – ALL matches held at Grange Lane – Worth £100
- NEW: Discounted hire of the clubhouse for parties of any kind (£35 including Bar Staff, Host and cleaning) – the 4G can also be used by prior agreement.

* **'SUPERDRAW' profits help fund 4G maintenance and contribute to its future replacement.** Monthly cash prizes of £50, £30 and £20 with special quarterly prizes of £250 and a Christmas jackpot of £500. Should you consider this gambling, please note that your £5 contribution will be noted as a donation to the club and your name will not added to the Superdraw.

** Please note: direct debit payments have been introduced to make paying for game more affordable and accessible for all. It will also reduce the amount of admin the team managers will have to complete. The direct debit scheme is guaranteed by Go Cardless.

**North Ferriby Football Club is a 'not for profit' club run entirely by volunteers.
All income derived is retained by the club for the benefit of the club.**

OTHER NOTES

Promoting Girls Football

North Ferriby Football Club have a commitment to Girls Football – in 2014 the club had 140 girls playing the game in a Ferriby Shirt. A clear focus will be made to rebuild this.

A Community Pulling Together

£17,500 Crowd Funder Launched

The ground, pitch and clubhouse are in need of major renovations. We have calculated that these renovations will cost £42,000 Through the generosity of local businesses we have managed to raise £24,500 of this sum therefore a crowd funder has been launched **to raise the £17,500 difference**. We would like to thank the following businesses for their support so far:

Steve Hodgins Plumbing & Heating

Danby's

Mick Jordan Construction

Star Ceilings

C B North

Roclad Systems

NEC Services

Ferriby Fencing

Wastage

IM Energy

The One Point

Designs Signage

Briggs Amasco

HB Clark

Xiom.co.uk

Kingston Graphics

The Future is GREEN!

Power delivered to the site is now supplied from 100% renewable sources.
